Dear Parents

As we approach the end of the half term, I thought I would update you on what is happening in school and inform you of some of the upcoming events happening after the holidays.

Building Work

Following the new roof that was installed in the kitchen and the front of school, the rest of the building is now due some attention. Among other things, the local authority are going to repair the external roof and replace some of the aging internal ceilings and lighting. This work is due to begin at Easter but some preparation work is already underway. The plan is to complete work on the hall during the school holidays, if possible, to avoid disruption to school dinners, PE lessons, etc. The planned work on the classrooms, however, will cause some disruption, as each class will have to vacate their room until the work has been completed. We will ensure that this disruption is minimal and the children's planned curriculum and learning will not change. Each class will move into a temporary classroom while the building work is completed, and they will take all their equipment and resources with them. The work is scheduled to be completed by the end of the year, by which point we will have new ceilings, roofs, internal lighting, alarm system and network cabling throughout the school.

World Book Day

We will be celebrating World Book Day on Thursday 2nd March. You may send your child to school dressed as a book character if you wish. There will be no charge for this.

In school, we are planning lots of fun activities for children to take part in and we will be celebrating some fantastic authors during the course of the day. This year, one of our main priorities is developing reading so we will make the most of this opportunity to celebrate books!

WORLD
BOOK
DAY

Mystery Reader

We have already had a few new volunteers to be a mystery reader (details in the latest reading newsletter). If you want to volunteer, please get in touch!

Midday Supervisor Vacancy

We have an upcoming vacancy in our midday supervisor team. This is an important role as our lunchtimes are a vital part of the school day where the children get time outdoors as well as access to many of our extra-curricular clubs. Without our midday team, none of that could happen. If you are interested in joining the midday team – or if you know anybody else who might be – please contact the school office for details of the post. Thank you.

Comic Relief 2023

On Friday 17th March, we will be supporting the Comic Relief fundraising happening up and down the country. As a school, we are inviting you to send your child/children to school dressed in red and/or wearing any Red Nose Day items you have purchased. We will also be holding our traditional KPS cake sale in the school hall and we are asking for donations of cakes to support this. Cakes may be homemade or shop bought but we do ask that they do not contain nuts.

Again, this year we will not be taking cash donations and all donations, including money for the cake sale, should be sent via the following Just Giving link:

<https://www.justgiving.com/fundraising/rednoseday23-kinoultton-primary-school>

Many thanks for your support.

Upcoming Calendar Dates		
13 th -17 th February		Half Term
Thursday 2 nd March	7pm-9pm	Governors Development Meeting
Thursday 2 nd March	All day	World Book Day
6 th -10 th March	Afternoons	Swimming (Y4+ some others) Details to follow
